CERTIFICATE OF ANALYSIS

| | |
|-----------------------|---|
| Product Name | Agarwood Oil NI |
| Botanical Name | NA |
| Category | Reconstituted Essential Oil , Natural Identical |
| Origin | India |
| Product Code | OUD/AGNI/SND3 |
| CAS No. | NA |

PHYSICAL & CHEMICAL PROPERTIES

| | |
|-------------------------------|---|
| Color & Appearance | Dark brownish mobile liquid (est) |
| Odor | Woody, musky, animalic |
| Extraction Method | Co - Distillation |
| Specific Gravity 20°C | 0.979 To 0.981 |
| Refractive Index 20°C | 1.500 To 1.515 |
| Flash Point | > 80°C |
| Solubility | Insoluble in water & Soluble in Alcohol |
| Main Constituents | Alpha Gurjunene, Cashmeran , Muscone |

Note :

- This report pertains only to the sample taken by the lot and may differ on a lot to lot basis.
- This is indicative and may be vary according to the raw material and climate variation.

As it is electronically generated document, hence no signature required.
