CERTIFICATE OF ANALYSIS

Product Name	Ambrette Seed Oil
Botanical Name	Abelmoschus moschatus
Category	Essential Oil
Origin	India
INCI Name	NA
CAS No.	8015-62-1

PHYSICAL & CHEMICAL PROPERTIES

Color & Appearance	Light Pale Yellow To Clear Mobile liquid (est)
Odor	Rich, sweet, floral musky
Extraction Method	Steam Distilled
Specific Gravity 20°C	0.9140 To 0.9165
Refractive Index 20°C	1.470 To 1.482
Optical Rotation	-1.22 To -2.43 °C
Flash Point	> 80°C
Solubility	Insoluble in water & Soluble in Alcohol
Main Constituents	Ambrettolide, Farnesyl Acetate, Farnesol

Note :

- This report pertains only to the sample taken by the lot and may differ on a lot to lot basis.
- This is indicative and may be vary according to the raw material and climate variation.

As it is electronically generated document, hence no signature required.
